

REVOLVING HAM HOLDER

PROFESSIONAL LINE

F1 Model

Vanguard and modern design.

Made entirely of solid Stainless Steel.

Lasting tool without any need for maintenance.

Great cut versatility, this model features the "JAMOTEC SUPPORT" which allows cutting the ham in two ways: "CLASSIC CUT" or "TRANSVERSE CUT".

Reduced size. Folded fits into a 41x24x14 cm space.

Easy to clean, it can be hand washed or loaded into the dishwasher.

Travel bag supplied.

25-year warranty
